OFFSETTING REFERENCE

. . . .

1. **Choose location for the offsetting.**
   - **On the board:**
     » Choose an appropriate nature tile(s) on the play area. Place a BDO plan tile on chosen tile(s).
   - **Offsetting bank:**
     » Negotiate for the price with the Enthusiastic Planet Saver to place a BDO plan tile in the offsetting bank. Move to step 4.

2. **Pay for offsetting measures**
   - Pay € + ◑◑.

3. **Roll a die to check the success of the offsetting**
   - Automatic success on an adjacent tile or same species
   - Roll > 1: Success. Move the offset nature tile on the offsetting site and turn around the BDO tile.
   - Roll = 1: If you try to offset the same tile later, start from step 2.

4. **Roll a die to check the change of offsetting legislation**
   - Move the token accordingly on the legislation card.

TURN REFERENCE
. . . .

❋ Surveys - as many as you want
- NATURE SURVEY: Turn a face down nature tile face up €
- SPECIES SURVEY: Choose one empty nature tile to survey, turn tiles one by one from the nature pile until you find a species tile that matches the nature type or you have turned five tiles 👓.

❋ Tile Actions - only one
- Place token/s. project plans (1-5), conservation proposals (1-4), media campaign (1-2) €.
- Turn token/s to: project €, conservation area €€ + 👓, demonstration € + 👓,
- Upgrade demonstration into a protest camp €€€ + 👓.
- Restoration €€€ + 👓.
- Buying nature for BDO bank €€€ + 👓.

❋ Other actions - each once
- Remove a protest token (media campaign €€ / demonstration €€ and dice roll: 4+)
- Start or continue an offsetting process (see flip side).
- Play an action card

❋ End of turn
- Optional: discard one card
- Fill your hand up to 5 cards.

NOTE: Trading cards and negotiating with other players is possible any time, even when it's not your turn.

CONSERVATIONIST SCORING

Team points

❌ Destroyed nature tile

⭐ All nature tiles open.
⭐ More sustainable project tokens than other project tokens.
⭐ Each conservation area token.
⭐ Each offsetting site token.
