

# Preconception health and care

## Checklist development

01

### **Webinars on topic of preconception care**

Due to COVID-19 this was transferred online.

02

### **Webinars on checklist development**

Types of checklists, methods of checklist creation.

03

### **Each Asian partner created a checklist**

Checklists from all 4 Asian partners received.

04

### **Detailed feedback given**

In two steps: overall and individual feedback.

05

### **Group work: creation of final checklist**

Outputs: final Cambodian and final Vietnamese preconception health and care checklist.
