A purple rectangular tag with a hole on the left side is the central focus. The words "Thank you!" are written on it in a black, cursive font. The tag is placed on a light brown, textured surface, possibly burlap. Three white daisies with yellow centers are scattered around the tag: one in the foreground to the right, one in the middle ground to the left, and one in the background to the right. A light-colored string is looped around the tag and extends towards the top left of the frame.

Thank
you!
