1   PARTNER ORGANIZATIONS

Name of the partner	Frequency
HMU - Hanoi Medical University	1
NDUN - NamDinh University of Nursing	1
KCMCH - Khulna City Medical College	1
CiMCH - City Medical College & Hospital	1
UMCH - Universal Medical College & Hospital Ltd	1

HMU - Hanoi Medical University

NDUN - NamDinh University of Nursing

KCMCH - Khulna City Medical College

CiMCH - City Medical College & Hospital

UMCH - Universal Medical College & Hospital Ltd

2   SWOT ANALYSIS

2.1   Strenghts

SUMMARY of STRENGTHS:

Results by organizations	
HEI	**The first part: internal factors: STRENGHTS**
HMU - Hanoi Medical University	
NDUN - NamDinh University of Nursing	
KCMCH - Khulna City Medical College	
CiMCH - City Medical College & Hospital	
UMCH - Universal Medical College & Hospital Ltd	

2.2   Weaknesses

SUMMARY of WEAKNESSESS:

Results by organizations	
HEI	**The first part: internal factors: WEAKNESSES**
HMU - Hanoi Medical University	
NDUN - NamDinh University of Nursing	
KCMCH - Khulna City Medical College	
CiMCH - City Medical College & Hospital	
UMCH - Universal Medical College & Hospital Ltd	

2.3   Opportunities

SUMMARY of OPPORTUNITIES:

SWOT analysis: the second part: external factors: OPPORTUNITIES	
HEI	**The second part: external factors: OPPORTUNITIES**
HMU - Hanoi Medical University	
NDUN - NamDinh University of Nursing	
KCMCH - Khulna City Medical College	
CiMCH - City Medical College & Hospital	
UMCH - Universal Medical College & Hospital Ltd	

2.4   Threats

SUMMARY of THREATS:

SWOT analysis: the second part: external factors: THREATS	
HEI	**The second part: external factors: THREATS**
HMU - Hanoi Medical University	
NDUN - NamDinh University of Nursing	
KCMCH - Khulna City Medical College	
CiMCH - City Medical College & Hospital	
UMCH - Universal Medical College & Hospital Ltd	

3 SUGGESTIONS AND PLANS

3.1 How to Minimize the Threats

SUMMARY:
Project consortium

Management of HEI

What can the project consortium and the management of your institution's do to minimize the threats and challenges you face?	
HEI	**Suggestions and Plans**
HMU - Hanoi Medical University	
NDUN - NamDinh University of Nursing	
KCMCH - Khulna City Medical College	
CiMCH - City Medical College & Hospital	
UMCH - Universal Medical College & Hospital Ltd	

3.2 Long-term Usefulness After the Project

SUMMARY:

In you opinion, which things started or tested in the project, will remain in use, or continue to develop in your institution after the project? (e.g., knowledge, methods, skills, behaviour etc.)	
HEI	**Suggestions and Plans**
HMU - Hanoi Medical University	
NDUN - NamDinh University of Nursing	
KCMCH - Khulna City Medical College	
CiMCH - City Medical College & Hospital	
UMCH - Universal Medical College & Hospital Ltd	

3.3 Resources needed

SUMMARY:

What do you need to ensure this development: resources (human, material/technical etc.) to achieve better sustainability of the project and the future development of the curriculum?	
HEI	**Suggestions and Plans**
HMU - Hanoi Medical University	
NDUN - NamDinh University of Nursing	
KCMCH - Khulna City Medical College	
CiMCH - City Medical College & Hospital	
UMCH - Universal Medical College & Hospital Ltd	

3.4 Activities for strengthening international networking

SUMMARY:

What project activities do you think will strengthen the continuation of curriculum development? Who should also be involved in the project/curriculum development (stakeholders & facilitating factors) to achieve better sustainability in this area?	
HEI	**Suggestions and Plans**
HMU - Hanoi Medical University	
NDUN - NamDinh University of Nursing	
KCMCH - Khulna City Medical College	
CiMCH - City Medical College & Hospital	
UMCH - Universal Medical College & Hospital Ltd	

3.5 Activities for Strengthening the Continuation of Curriculum Development

SUMMARY:

What will strengthen and ensure the application of the DigiCare Model and Guidelines in your institution and country?	
HEI	**Suggestions and Plans**
HMU - Hanoi Medical	

University	
NDUN - NamDinh University of Nursing	
KCMCH - Khulna City Medical College	
CiMCH - City Medical College & Hospital	
UMCH - Universal Medical College & Hospital Ltd	

3.6   Activities for Strenghtening the Application of the DigiCare Model

SUMMARY:

What would help your institution in capacity building of other nursing teachers in coaching methodology and digital skills? What project activities will enable capacity building to continue?	
HEI	**Suggestions and Plans**
HMU - Hanoi Medical University	
NDUN - NamDinh University of Nursing	
KCMCH - Khulna City Medical College	
CiMCH - City Medical College & Hospital	
UMCH - Universal Medical College & Hospital Ltd	

3.7   Activities for Capacity Building

SUMMARY:

What project activities will enable the continuation of improving nursing students'/healthcare students knowledge and skills of digitalized health care and coaching their patients?	
HEI	**Suggestions and Plans**
HMU - Hanoi Medical University	
NDUN - NamDinh University of Nursing	
KCMCH - Khulna City Medical College	
CiMCH - City Medical	

College & Hospital	
UMCH - Universal Medical College & Hospital Ltd	

3.8 Activities for Improving Knowledge and Skills

SUMMARY:

Which project activities will strengthen the use of the acquired competence in international project cooperation in your institution?	
HEI	**Suggestions and Plans**
HMU - Hanoi Medical University	
NDUN - NamDinh University of Nursing	
KCMCH - Khulna City Medical College	
CiMCH - City Medical College & Hospital	
UMCH - Universal Medical College & Hospital Ltd	

3.9 Activities for Strengthening the Use of Competences

SUMMARY:

What project activities will strengthen the international networking (within the DigiNurse community and elsewhere) of your DigiCare team and co-workers in your institution?	
HEI	**Suggestions and Plans**
HMU - Hanoi Medical University	
NDUN - NamDinh University of Nursing	
KCMCH - Khulna City Medical College	
CiMCH - City Medical College & Hospital	
UMCH - Universal Medical College & Hospital Ltd	

3.10 Ensuring Sustainability of the Project Outcomes

SUMMARY:

How will your institution ensure/enable the sustainability of the project outcomes after the project period?	
HEI	**Suggestions and Plans**
HMU - Hanoi Medical University	
NDUN - NamDinh University of Nursing	
KCMCH - Khulna City Medical College	
CiMCH - City Medical College & Hospital	
UMCH - Universal Medical College & Hospital Ltd
